

Conservation Celebration 2008

Your organization can be part of something that lasts forever. By sponsoring the Western Virginia Land Trust's 2008 Conservation Celebration, which will honor the City of Roanoke for its conservation leadership, you'll also be supporting WVLT's outreach and education efforts. Every day, we fight to protect our mountaintops, streams and valleys with permanent conservation easements.

All sponsors will receive complimentary tickets to the 2008 Conservation Celebration, as well as advertisements in the event program and the August edition of the Land Trust's newsletter, *Land Protection News*. Sponsors at the \$1,000 level and above may also place banners at the event and have the option of a display or table for literature.
